

SEPTEMBER-OCTOBER 2010: TIPS LOG SUMMARY

List any other activities and work you performed for TIPS this month not checked in the previous questions.

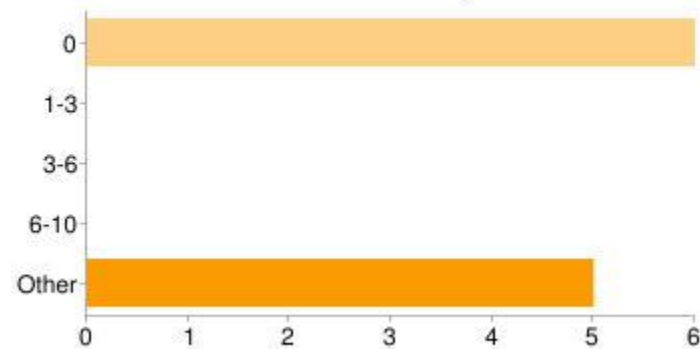

none testing Conducted a survey to see from grades 3-8 how the grade is using their computer cart. Waiting for all results. Also surveyed on how many different programs they may want to learn about. Collaborated with site coordinator about a computer schedule for Lexia for special Ed. Inquired with principal about when we can do a PD on SAS Transferred files from Smartboard lessons that were on First Class to a hard drive for teachers to continue accessing. All information covered in previous statements. none

What, if any, support do you need from the Tech Coach/District?

none testing None at this time getting colleagues updated to create individual SAS websites and tips and tricks for using Outlook No assistance needed at this time. Once the SAS website is introduced to teachers Nov. 2nd, I am sure that follow-up sessions/one-on-one assistance in using/maintaining the website will be needed throughout the buildings. none
